Asbestos Dump Site
Site Operations Plan

Nigel Robinson, Project Officer
Site Investigation and Compliance Branch

Lisa Gatton, Quality Assurance Chemist
Monitoring Management Branch

Enclosed for your review, is the most recent revised draft, Site Operations Plan (SOP) for the Asbestos Dump, which contains a revision of the aquatic impact assessment on pages 2-29 to 2-31. The appendices have not been enclosed in this copy of the SOP, but will be resubmitted upon approval of aquatic impact assessment.

Also enclosed is performance evaluation information for Princeton Testing Laboratories who will be performing their asbestos analyses.

Should you have any further questions regarding this submittal, please feel free to call me at (212) 264-8674.
